

Fraser Valley unit receives continued financial support

BMO Bank of Montreal Employee Charitable Foundation is pleased to announce their continued financial support to the Fraser Valley Marine Society and CCGA-P Unit 102.

The BMO Employee Charitable Foundation supports thousands of registered charities in Canada through the generous support of the employees, pensioned employees, customers, and friends of the BMO Financial Group.

The charitable donation support from the BMO Employee Charitable Foundation and BMO Financial Group of Companies to the Fraser Valley Marine Society over the past two years totals \$9,000.00.

Local involvement ensures the money raised in the community flows back into the community.

BMO is proud to acknowledge the Fraser Valley Marine Society as an organization dedicated to keeping the waterways safe and fun for everyone.

Through support from organizations such as the BMO Employee Charitable Foundation, CCGA-P Unit 102 Fraser Valley is able to continue with programs such as the community boating safety trailer. The trailer, which is filled with boating safety supplies and information, is an efficient way for unit members to spread the boating safety message to as many people as possible on the Fraser Valley's numerous recreational lakes.

On November 10, eight members of CCGA-P Unit 74 Kitkatla took part in an on-water training exercise. The two-hour session focused on personal safety, boat handling, search with a spotter, man overboard response procedures, and rescue/recovery.
